

TURKLANG - 2026

USBEREIT

Dear Colleagues!

We are pleased to announce that the XIV International Conference on Computer Processing of Turkic Languages "TurkLang 2026" is planned to be held as part of the Ural-Siberian Conference on Biomedical Engineering, Radioelectronics and Information Technology (<https://usbereit.ieeesiberia.org>).

This conference is dedicated to the 30th anniversary of L.N. Gumilyov Eurasian National University (<https://enu.kz>).

The conference TurkLang 2026 will take place on May 13-15, 2026, on the basis of L.N. Gumilyov Eurasian National University, Astana, Kazakhstan.

The conference will be held in a mixed format: in-person and online.

Directions of Conference Work:

- **Formal Models and Software Services for Turkic Languages**
- **National Localization of Computer Systems and Terminology**
- **Electronic corpus of the Turkic languages**
- **Systems for morphological and syntactic text processing**
- **Semantic word processing technologies**
- **Machine translation systems and technologies**
- **Speech Technologies**
- **Intelligence Systems and Technologies for Learning Turkic and Foreign Languages**
- **Linguistic Ontologies and knowledge graphs for Turkic Languages**
- **Turkic languages as the basis for the creation of new intelligence technologies and knowledge processing systems**

The conference program includes plenary and sectional meetings, round tables, and an exhibition of software developments.

Detailed information about the conference is presented on the conference website: turklang.ieees.org

Conference working languages

Articles and presentation slides submitted to the conference will be accepted in English.

Oral presentations by speakers will be made in Turkic languages (Kazakh, Turkish, Uzbek, Kyrgyz, etc.)

Important Dates:

Submission of full paper texts: **until Mart 1, 2026.**

Distribution of review results: **Mart 29, 2026.**

Upload of the final version: **April 14, 2026.**

Publication of the conference program: **May 1, 2026.**

Conference dates: **May 13-15, 2026.**

Paper Submission Procedure:

Full report texts will be accepted until **Mart 1, 2026.**

Papers are to be uploaded on the conference website: turklang.ieees.org

A conference symposium will be organized as part of the conference. Papers will undergo a three-level selection process.

The first level is a symposium.

Full-text papers accepted and presented at the conference in English will be sent for inclusion in the IEEE Xplore digital library, provided that the articles meet the IEEE Xplore volume and quality requirements.

The second level.

The papers, not included in the symposium, but prepared at a good level and being of interest to conference participants, will be recommended for the main part of the conference and will be indexed in the RSCI.
